

QUALITY POLICY

Werfen Australia's **quality policy** is to be the **first choice** of the most demanding healthcare providers throughout Australia, through the delivery of complete, **high quality and innovative in-vitro diagnostic solutions** by providing outstanding customer service, support and training.

This will be done in close co-operation with clinicians and scientists for the well-being of patients.

Werfen Australia is committed to complying with, and continually improving, the quality management system.
